Description of Proposed Works

Please describe the proposed works

68 Manor Road is a corner plot with the front entrance on Manor Road and a garage and driveway located on Shakespeare Road. We would like to extend the current driveway that can park one car, and increase the width of the driveway so it can park two cars. The driveway has two bricks tiers acting as the entrance to the driveway, and the distance between the two tiers is 2,550mm. We propose that the right hand side pier (when viewed from Shakespeare Road) is moved to the right towards Manor Road so the entrance is increased to 4,550mm. The proposal will result in minimum work with approximately 2,250mm of the existing wall removed and the pier to be rebuilt using matching imperial sized bricks. The streetscape will be maintained with the piers and the walls.
