Dear Sir/Madam,

Proposal: Demolition of single storey storage building (Class B8) (Retrospective) and construction of a brick-built studio bungalow (Class C3)
Site: 5 Hillbarn Parade, Upper Brighton Road, Sompting, West Sussex

Further to our previous correspondence dated the 28th of June 2024, please see Southern Water's comments below

The Council's technical staff and the relevant authority for land drainage consent should comment on the adequacy of the proposals to discharge surface water to the local watercourse.

The proposed rainwater harvesting system should be designed, installed and maintained to current British Standards to ensure that measures are in place to protect the public water supply and avoid cross contamination.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
