Subject: Re: AWDM/1547/23 and AWDM/1018/24 3-4 Market House

Hi Jo,

The new drawings of the replacement shopfronts illustrate very similar, timber shopfronts to those existing. The Heritage Statements should really be updated to explain the reason for completely new shopfronts, but I can support these applications.

I hope you have a great w/e.

Kind regards
Richard.

I would be grateful for your comments on the attached drawing and whether the applications can be supported.
