Subject: objection to an application, ref ADC/0441/10

I have tried to operate the "public access" area without success, I hope this objection can be forwarded to the relevant dept.
Your ref. ADC/0441/10. 43 Manor Rd. Lancing, BN15 0EY. The signs that have already been erected are, in our opinion, ugly, unnecessary and degrade what is essentially a fine building within the North Lancing conservation area. The pub / restaurant has many advertising banners, "A" boards and fixed signs, more simply cheapen the appearance, we trust the planning officer agrees and orders the removal of this latest monstrosity.
