Dear Eve,

I rang on Friday 27th wanting to discuss the above application.

I was advised you were on leave & that I could only discuss this with you, as the case officer. My concern was that the 21 days from the date of the letter is 1st April & you are not back until then.

I would like to know if there are any limits as to how much a house can be extended.

10 Greenacres is an end of terrace. The previous owners added a conservatory, an extension to the side (back & front, top & bottom) & then extended in the loft across the original house & the side extension.

The current owners are planning to replace the conservatory with an extension 4 m from the rear wall & 2.9 m high.

They are also currently in the process of adding a garden room (supplied with electricity) across the whole width of the back of the garden with an approximate depth of 2.4 m.

Please can you confirm this current extension & garden room would be permitted?

Also, at what stage should the owner of No. 10 serve a party wall notice to us please?

Regards.

Jill Mills
