comment: - Design

Comments: I object to the design of the proposed carport as I believe it will merely add to the already unsightly mess at the Brighton Road end of Warwick Place. I have lived here for 30 years and have watched this road losing its unique historical feel. Plastic dustbins now line much of the road, curbs degenerating, exaserbated mostly due to vehicles turning, the footpath is a disgrace (should be brick paved as in York Road) All of this in a road where the properties are listed and in a Conservation area. If the planners really value this historical road, I suggest they work with the applicant to find a more appropriate design.

Kind regards
