Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the first-floor extension to former managers bungalow to form additional accommodation for residents, visitors and staff. (Resubmission of AWDM/1612/22). The application is to Adur District Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application**.
