Reference Planning Application ADC/0313/10

Dear Ms Barker,

Thank you for meeting with me on 6th September to discuss some of my concerns I have with the above Application and Mr Hone's letter to the applicant regarding this current application. It was most useful and I will meet with you when you visit the site as you suggest. As I said I would be pleased for you to inspect from my property.

I have put in writing my concerns and considerations. They are enclosed with this letter.

Please take this letter and enclosures as a preliminary objection to the above Planning Application whilst my concerns are addressed.

Thank you for your attention in this matter.

Yours sincerely,

Wendy Filmer
