Reasons for comment:	- Trees and Landscaping
Comments:	We wholeheartedly support this application as we suffer also from the size and proximity of trees at our joint boundary with Glebe House. Not only the tree which is the subject of this application but other trees planted too close to the mutual boundary and allowed to grow way too large without the correct husbandry. The T1 Conifer represents a danger to the occupants of 2 Grantsmead as well as a risk to the structure of their property and a massive loss of amenity.
