Dear Sirs

Planning Application No AWDM/1217/22
6 Hammy Way, Shoreham-by-Sea BN43 6GG

I wish to object/comment on the above application with regard to the rendering/cladding. This will considerably alter the look of the said property and thus be entirely out of character in this pleasant road of bungalows, which were built in the late 1950's of brick. Also rendering requires a great deal of maintenance which if not carried out regularly will result in it becoming very unsightly.

Yours faithfully

[redacted]

M R Hammonds (Ms)
