Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Loss of General Amenity
- Other
- Overdevelopment
- Privacy Light and Noise
- Trees and Landscaping

Comments: My concerns are as follows:

1. To build a house within an existing medium garden will be over powering with the new build being at the boundary of the border.
2. We have problems with parking at present. To build an extra house will cause further problems.
3. The dust and noise whilst building if the planning application is approved.
4. Concern that the twitten at the back of the properties will be difficult to access if planning permission approved. This access is required to take the bins to the front of the property and to bring the lawnmower to the front of the property.
