Subject: AWDM:0737/26: The Ferring/Goring Gap

To: <planning@adur-worthing.gov.uk>

I would like to protest in the strongest terms, about the current use of some of this site. It seems there is coffee and alcohol being sold on this site, as well as other amenities being provided. This land is by its very name is a 'gap', and should remain as such for the enjoyment of both local people and visitors.

I hope that you are able to reassure local people that their voices are being heard and that their views are reflected in the planning process.

Perhaps a public consultation could be arranged so that we are able to share our views with your department...

Thank you.
