RETROSPECTIVE APPLICATION FOR [redacted] TO WESTERN SIDE OF 10 TYNINGS CLOSE LANCING. WEST SUSSEX BN15 8PW.

Dear Sirs

In reply to your letter reference AWDm/0836/12 dated 14.6.2012. may I respectfully ask why it is that your letter is addressed to OWNER/OCCUPIER? I have lived in this property for approx 18 years with my wife + family and all other correspondence from Adur District Council is addressed to me by name - I would have thought your Dept. could have taken the trouble to find out who I was from your records and do the same!

For your information my name is MR. RAYMOND. R. GRAY residing at the address above.

With regard to the above Application the proposal is totally inappropriate and unnecessary in my view! As a member of Planning Dept take the opportunity to view the existing alterations to the land in question caused our when Worthing Homes took over the Property they will see the area is enclosed with a 7 foot high fence + gate on the ~~South~~ side - Hedge, fence + Gate on other side - Hedge all along the West side. This surely is enough for anyones needs - anything else will totally spoil our view!

2

The hedges are acceptable since they were forced on us anyway. — a fence would not be acceptable under any circumstances !!

Yours faithfully
