Dear Carlos,

Re: 16a – 18a North Road, Lancing:- Proposed Food Store at Rear of Naaz Restaurant
Appl. Ref: ADC/0055/09

Following receiving planning approval for the above proposal we ask if there can be minor changes made treated under a minor amended.

I enclose revised plan drawings for your consideration. The foot print and area of the small single storey extension is the same. In addition the extension will set away from the boundary on the two sides which we feel improves the layout and minimises impact to adjoining owners.

The reason for the small changes to the layout is to improve the internal width for improved storage of foods. The internal wall positions of the existing main restaurant kitchens were incorrect on the original proposal and these are shown amended on the revised plan.

I look forward to receiving your comments on the above in due course.

Yours Sincerely,
