Reasons for comment:	- Design - Privacy Light and Noise
Comments:	I have received notification of this planning application. The details on the council website are rather vague so I called the named office on the letter, Tom Westerman on two occasions, left a message and asked to be called back....he has not returned my calls. As a result, I do not have enough information.... The property already has an extension (which was there when I moved in to my property) but there are no plans on the available documents to judge whether the proposed extension would be a similar size.

The available documents state a 4m extension from the rear wall, 4m high with 2.8m for the eaves. This would be significantly larger than the existing extension and on that basis I would have to object.

Kind regards
