Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	Higgidy oppose the variation to condition 1 imposed on ADC/153/10 which we understand to be an extension of the variation to conditions 4 and 10 granted in 2010. This representation is made within the limits of the following relevant planning considerations- • Highway access and parking • Other Overflow rubbish and damaged items from other businesses in G3 are regularly left within the area designated as parking for our vehicles (Unit 6). This appears to be as a direct result of the congestion (due to storage) on the forecourts of neighbouring units. Parking continues to be a concern. Vehicles from neighbouring units often park in spaces allocated to our Unit. In addition we find that the applicant's vehicles are frequently parked in non-parking areas that do cause or could cause congestion. We suggest that this is as a direct result of a lack of appropriate parking spaces.
