Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for consent under Worthing Tree Preservation Order No.45 of 2003 to reduce crown height and radial spread by up to 1.5 metres/to previous points, Lime trees T1 and T2 of group G11. The application is to Worthing Borough Council.

Following a review of the submitted information, we have noted no change to drainage or flood risk and therefore have no further comments to make.

Yours sincerely,
