Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	In response to recent comments please note the application has been amended to remove the request for parking at the front of 167 Brighton Road. Furthermore, for absolute clarity there is no connection with 167 and 169 Brighton Road. I notice that my name appears on the application for 169 Brighton Road to be converted to 5 flats. I do not own 169 Brighton Road and it is not my application. A further point of clarity: the proposal for a therapeutic clinic is not in any way residential. Clients will visit for therapeutic sessions during normal working hours.
