Verge at Steepdown Road, Halewick Lane, Sompting

Replacement telecommunications monopole and equipment cabinet

CONSULTATION DATE: 12/8/2010

RECOMMENDATION:

Advice	X	**Modification**		**More Information**	
Objection		**No Objection**		**Refusal**	

S106 contribution: £ N/A

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Local Development should be considered to be advice only, with respect to this planning application.

West Sussex County Council was consulted previously on Highway Matters for this location under planning application no. S/25/05 to which no highway objections were raised.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. A site visit can be arranged on request.

WSCC would not be minded to raise any highway safety objections regarding the location of the telecommunications equipment. The Applicant is recommended to contact the Area Engineer, West Sussex County Council, Clapham Common, Clapham, Worthing, BN13 3UR, (Tel no: 01243 642105) to obtain formal approval and the necessary license from the highway authority to place the items within the public highway.

The Applicant is also requested to display contact details on the equipment to ensure that any maintenance issues can be addressed by the highway authority in discussion with the Applicant (or the relevant maintenance organisation).
