Dear Mr Barnett

Re: AWDM/1805/22 - Southwick Nursery, 15 Roman Way, Southwick, West Sussex, BN42 4TN

Thank you for advising us of the amended plans to this recently-submitted application which is to re-site the proposed dwelling further to the east of the plot.

As indicated in my previous objection, the south-facing Velux windows contravene the legal agreement made with the owner, Mr Christopher Dosset, on 23 November 2021, edition date 1 December 2021, details of which can be found in the official copy of register of title under Title No. WSX64381 (19 October 2022). I am also disappointed to note that neither the original nor the amended application make clear that restrictive covenants remain in place. We agreed to vary the Deed of Covenant, not to surrender it.

Should there be an application for change of use on this site?

Yours sincerely

Carol O'Neal
