Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the construction of a raised platform adjacent the garden door, replacement window and door set to South elevation. The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application**.

Yours sincerely,
