Email exchange:
We were given your contact details by a colleague at the Council because we live in a Grade II listed cottage. We need to replace the boiler and work is scheduled for April. I have attached a copy of installation notes from British Gas and, other than a new flue to be put through the external wall, impact is minimal.

Please would you review and let me know if any permissions are required for this work to start.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
