WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in Drawing No DC/97/0074 which accompanied the application, or as subsequently amended prior to consideration, is to

REFUSE CONSENT for the reason(s) that:-

1. The proposed pollarding of these established Flowering Cherry and Flowering Crab trees, T6 and T7 under the Worthing Tree Preservation Order No. 64 of 1997, would severely disfigure and damage the natural crown form, branch structure and appearance of the trees which having regard to their stature and overall crown spread, and good condition, and their prominence within the streetscene, would be detrimental to the character and visual amenities of the area.
