05. Work to implement this permission shall not take place other than between the hours of 8am and 6pm Monday to Friday and 8.30am and 1pm on Saturdays. There shall be no working on Sundays or Public Holidays.

Reason: *To protect the residential amenities of neighbouring occupiers having regard to policy 34 of the Adur Local Plan.*

06. The approved Construction Management Plan shall be implemented and adhered to throughout the entire construction period.

Reason: *In the interests of highway safety and amenity having regard to policies 28 and 34 of the Adur Local Plan.*

07. The use hereby permitted shall not commence until the car parking has been constructed in accordance with the approved site plan. These spaces shall thereafter be retained at all times for their designated purpose

Reason: *To provide car-parking space for the use having regard to policy 28 of the Adur Local Plan.*

08. The use hereby permitted shall not commence until covered and secure cycle parking spaces have been provided in accordance with the approved plans.

Reason: *To provide alternative travel options to the use of the car in accordance with current sustainable transport policies.*

09. The development shall be completed in accordance with the approved details of the the external materials and canopy colour.

Reason: *In the interests of visual amenity and to comply with policy 15 of the Adur Local Plan.*

10. The development shall be completed in accordance with the approved surfacing details.

Reason: *In the interest of the visual amenities of the locality having regard to policy 15 of the Adur Local Plan.*

11. The development hereby permitted shall only be carried out in accordance with the submitted Flood Risk Assessment.

Reason: *To reduce the risk of flooding and in the interests of the safety of the occupants having regard to the National Planning Policy Framework and policy 36 of the Adur Local Plan.*

12. All development shall be constructed in accordance with the submitted and approved Surface Water Drainage Strategy (Ref: 1185/DR-101/P2 | dated 11/02/2026), this includes the use of a rainwater harvesting tank and discharge to the River Adur, unless otherwise first approved in writing by the Local Planning Authority.

    Reason: *To ensure the flood risk is adequately addressed and not increased in accordance with the National Planning Policy Framework and policies 35 and 36 of the Adur Local Plan.*

13. The approved soft landscape works shall be carried out in accordance with the approved details before the use commences. Any plants which within a period of one year from the time of planting die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

    Reason: *In the interests of visual amenity and the environment and to comply with policies 15 and 30 of the Adur Local Plan.*

14. A gas-proof, damp-proof membrane should be laid under any new areas of surfacing to prevent the accumulation of radon gas in the buildings. Should any unexpected contamination be identified during the development phase, the Council is to be notified, and any necessary remediation work carried out as required.

    Reason: *To prevent pollution of groundwater and in the interests of environmental protection and public health and safety, in compliance with the National Planning Policy Framework and policies 34 and 35 of the Adur Local Plan.*

15. No external lighting shall be installed other than in accordance with the approved details. All external lighting shall be switched off within 30 minutes of the end of the operating hours set out in Condition 3 and shall not be switched on again until within 30 minutes before the re-opening of the store.

    Reason: *In the interests of the residential amenities of the locality having regard to policies 15 and 34 of the Adur Local Plan.*

16. The development shall be completed in accordance with the approved foul drainage details.

    Reason: *To prevent pollution of the water environment by ensuring the necessary infrastructure is in place, in compliance with policies 29 and 35 of the Adur Local Plan.*

Informatives / Notes to Applicant

01. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

02. You are advised that West Sussex County Fire and Rescue Service require, prior to the first use of the facility, a fire hydrant or stored water supply to be provided and then for arrangements to be made for their connection to a water supply which is appropriate in terms of both pressure and volume for the purposes of firefighting. Prior to the first use of the facility, West Sussex County Council's Fire and Rescue Service should be notified that the fire hydrant has been installed and is operational, to ensure that the Fire and Rescue Service are aware that the hydrant is now a usable asset in the event of a fire.

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (AMENDMENT) (ENGLAND) ORDER 2015

YOUR ATTENTION IS DIRECTED TO THE FOLLOWING NOTES FROM THE ABOVE ORDER. THEY ARE FOR INFORMATION ONLY AND DO NOT PRETEND TO SET OUT THE WHOLE OF THE LAW ON THE SUBJECT. IT WOULD BE WELL FOR YOU TO CONSULT YOUR SOLICITOR IF YOU ARE IN ANY DOUBT

Appeals to the Secretary of State

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

2. If the decision relates to a householder application or minor commercial application, and you want to appeal, then you must do so within 12 weeks of the date of this notice. If the decision relates to express consent for the display of an advertisement, then you must do so within 8 weeks of the date of this notice. If the decision relates to a non-householder application, an appeal must be lodged within 6 months of the date of the decision notice. Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk.

3. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

4. The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements to the provisions of any development order and to any directions given under a development order.

5. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

6. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Planning Act 1990.

7. Where this notice conveys approval or permission, conditional or unconditional, please note that the decision given does not purport to convey any consent or approval which may be required under the Building Act and Building Regulations, or any other legislation.

Reduced time for making a planning appeal where enforcement action is being taken

Where an enforcement notice has been served on the same, or substantially the same, development as in the householder application within 2 years of the date the application was made, the period for receiving an appeal is within 28 days of the date on the decision notice or of the date by which the LPA should have decided the application. Where an enforcement notice was served after the decision notice was issued or after the end of the period the LPA had to determine the application, the period for receiving an appeal is within 28 days of the date the enforcement notice was served (unless this extends the normal 12 weeks deadline).
