Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping

Comments: This application is a transparent attempt to commercialise and build out one of the most fiercely protected green spaces on the Sussex coast. Because it violates Policies SS5, SS6, and DM18, and directly contradicts a recent Planning Inspectorate ruling regarding shipping containers on this exact land, I urge the you to reject this application in its entirety.
