Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	Totally unsuitable creating an eye sore, causing noise problem, litter problems, congestion on road, camping is not allowed along the front and should not be

allowed here, use of animals to entertain is not acceptable, it's an area of beauty and this would destroy the feeling of that - already it looks an eyesore with the various vehicles he has placed in the area plus a lot else. Signage is not acceptable and this basically needs to be stopped. Surely common sense must prevail. The surrounding areas around Goring and Worthing are being ruined with overcrowding etc. We must save our remaining small areas of green space. There is no hope if such terrible projects are allowed to go ahead. Please stop it, locals want to preserve what was a beautiful tranquil area. We must stop these hair brained schemes.

Kind regards
