Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other - Privacy Light and Noise
Comments:	The planning notice was passed on to us by one of our tenants with a young child who lives opposite Global House in Portland Road. We have concerns on noise and disturbance. There is no information on what capacity the venue will hold. What will be the sound proofing measures. The applicant mentions double glazed windows, which there are many. Will these be locked shut? Will there be air conditioning? No mention of door security or smoking area.
