Comments

Submission Type:
Customer wishes to comment on the Planning Application.

Comments:
I would like to point out the the boundry fence between No 12 and myself in the back is not in the correct position.. it is over my property by at least 6-8 inches therefore I hope the side wall of the extention is not taken up to the fence but within No 12 boundrys... I do not have any objection to the extention but would like to point this out to save problems later on...Many thanks
