Commenter Type: Neighbour
Stance: Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment: - Trees and Landscaping
Comments: I have no objection to the above however I am concerned about the detrimental effect that West Sussex Council's tree has between us and number 27, as our front garden wall has started to tilt and our driveway has become raised in some areas. I fear the roots are causing damage and will contact West Sussex accordingly so that they can review the situation again.
