WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/1476/23 - UNIT 3, THE MONTAGUE CENTRE, LIVERPOOL ROAD, WORTHING BN11 1YJ
Proposed signage on South and East Elevations

Thank you for requesting our comments in respect of the above mentioned application which is within the South Street Conservation Area.

In our view the proposed signage is not intrusive and will not adversely affect the neighbouring units in the Montague Centre. We therefore have no objection to the application.

I hope this is helpful.

Yours sincerely,
