Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment: - Other
- Overdevelopment

Comments: This area is unsuitable for development. It regularly floods from the South Downs and the sewage system in this area is weak.
This development has already been refused due to the floods in this area in 2024 and is on record.
Due to climate change and the increase in rain going forward this is a disaster waiting to happen.
