Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This will cause problems for school crossing and access to Clinic and school. Any increase in traffic will undoubtedly cause a greater risk to children attending St Nicholas and St Mary School. There is absolutely no need for Tesco to take over the site as they have an Extra superstore less than a mile away. If this application goes ahead, Middle Road shops (apart from take aways) and the post office on Upper Shoreham Road will close within a year. We have more than enough local shops that are run by people who are part of the community.
