Hello,

Sally Anne Best [redacted] has sent you a Planning enquiry from the Adur & Worthing Councils website. The page they sent the message from was:

http://www.adur-worthing.gov.uk/planning/applications/view/

Account / Reference number (if supplied): AWDM/1163/19
Postal address (if supplied):
Contact telephone (if supplied) [redacted]

Their enquiry was:

With reference to the letter I have received regarding planning permission AWDM/1163/19 for single-story rear extension at 33, The Crescent,Lancing BN15 8PJ. I live at 25, Finches Close, BN15 8PP and I have concerns regarding this extension due to the fact that we already have a noise issue from this property when using the outside areas which includes an already extended garage that I believe is used in conjunction with the garden area for football matches and gatherings. We are disturbed by loud music and shouting,so I would like to know how nearer this is going to be to our boundary? I have been forced out of my gardens with the level of noise and feel this extension could only add to the disturbance. My neighbour at 21 Finches Close is in agreement to this concern.

Please reply to this email.

Thank you.
