Re Dixons Plot Marine Drive

This should say object to, not appeal.

Re Dixon's Plot on Marine Drive

I would like to appeal against the above application for the following reasons.

As a resident I believe this would cause too much noise in a quiet area and is certainly unwanted.

It is also an absolute eye sore.

To have these amenities so close to resident's houses in such a beautiful area is totally disrespectful, would create too much noise and is a complete nonsense.

I do not believe animals should be used for 'entertainment' especially in the summer months for children's rides in the heat, which is a cruelty.

At the moment the parking in that area is used for people to enjoy the beach and the sun. Extra cars along this natural beauty would create hazards.

Alcohol could be consumed encouraging drugs and bad behaviour.

As a resident I think this is one of the worst planning applications I have seen for this beautiful area and I hope this decision is refused.

Yours sincerely
