Sirs,

I have finally found a way to get to contact you to register our comments and objections to this application to use this Goring Gap space for recreational use.
The intended use is completely unsuitable due to lack of all utilities and Health and Safety issues.
This space is designated as agricultural land and should not be developed on.
The Goring Gap is special to the area and the green facility must be preserved.
The proposal is completely unacceptable and we urge you to refuse this application and clearly state that no further applications to develop this space will be entertained.

Thank you
Christopher & Jane Jackson
Ferring residents.
