Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	We object to this application:- (1) as it is a wholly inappropriate change of use for designated agricultural land. In addition, (2) it will stand out as an eyesore in what is a pleasant semi-rural setting. (3) it will cause Light Pollution in an historically "DARK" area. (4) it will cause widespread Noise Pollution in a otherwise tranquil area. (5) Marine Drive is a popular family area and is frequently completely parked up along the south side. Cars entering and emerging from the site will pose a danger to pedestrians, especially children, tempted to cross the road to a from the site. It will also cause traffic congestion with cars queuing in both directions waiting to enter the site. (6) it will inevitably lead to unlawful behaviour ie drink driving and parking offences.
