Good afternoon,

As a resident of Nutley Drive close to goring gap, I'm writing to strongly object to the proposed development of his land of which Chris Dixon is applying for.

This is a cynical way to try and circumnavigate the planning laws protecting our green spaces for future residential development.

We must protect goring gap because once it's gone, it's gone forever!

Don't let one man destroy nature, our shared space and hundred of years of past and future memories just so he can make some money and retire.

Regards

Matthew
