Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Given that the policing of the anti social driving/riding has been ineffective in this area over the last few years, it's blatantly clear that any increase in anti social behaviour will also be difficult or impossible to police. Granting this application will undoubtedly increase a problem that is already being ignored without anyone taking responsibility. If this or any future applications are granted for late night/evening entertainment that includes alcohol, it will be a disaster for the area. Add alcohol to what is already considered a problem by local residents and you are asking for trouble. Come and see the tyre marks all the way up Amberley Drive or better still come any evening and witness for yourselves the cars and motorbikes tearing up and down.

Someone is going to get seriously hurt or worse and Mr Dixon wants to add alcohol to the equation!

Kind regards
