Comment by e-mail as problem with web site registering.Re: AWDM/0737/26

I consider this to be contrary to Local Plan reserving this area as Local Green Gap.

Activities on the site would detract from the visual appeal of Goring Gap and add to noise pollution and a large increase in traffic on local residential roads.

There is already facilities for visitors with regard to two well established sea front cafes and several mobile vans offering refreshments.

This land should be kept for agricultural use and to encourage wildlife.

I would appreciate if you would kindly add these comments to others you may have received.

Many thanks,

Stella Cook.
