Dear Mr Peck,

Further to our initial objection emailed to you 6July 2026 we write with a follow up.

My sister & I were walking past the site around midday today 12/7/26 & saw more activity. Horrifically, an A board advertising 'Free beer' on the edge of the road by the entrance. (pls see photo). As far as we are aware no alcohol licence has been granted. The toilet block is open & cars parking within the site.

Please find below the photos of today & last week. Need to zoom in to see clearly what is now on the site.

Please let us know if planning has been previously granted for anything currently on site. We believed his past applications had all been refused in their entirety.

Kind regards,  
Karena & Mamie Richards 6PA
