Development Control – Delegated Officer Report

Application Number: AWDM/0652/20 Recommendation – APPROVE

Site: 248 Upper Shoreham Road Shoreham-By-Sea West Sussex BN43 6BF

Proposal: Application for Certificate of Lawfulness for proposed hip to gable roof extension, rear dormer (replacing existing dormer) and first floor side window

Site visit: N

Proposal, Site and Surroundings

The property is a semi-detached bungalow on the north side of Upper Shoreham Road, Shoreham. The property is brick building with a tiled roof. The property already has a loft conversion with front roof lights, a small rear dormer and a single storey rear extension. It is proposed to provide a hip to gable roof extension with side window and a larger rear dormer

The site is not within a Conservation Area and the property is not a Listed Building.

Planning Assessment

Principle

The proposal will be viewed against the criteria of permitted development, as laid out within The Town and Country Planning (General Permitted Development) (England) Order 2015, as amended

Consideration

<u>Class B The enlargement of a dwellinghouse consisting of an addition or alteration to its roof</u>

B.1 Development is not permitted by Class B if:-

a) The dwellinghouse has been granted only by virtue of Class M, N, P, PA or Q.

Analysis: The dwellinghouse has not been created through change of use by virtue of Part 3.

b) The height of the roof extension would exceed the highest part of the existing roof;

Analysis:. The height of the enlargement does not exceed the height of the highest part of the existing roof.

(c) the roof extension would extend beyond the plane of any existing roof slope which forms the principal elevation of the dwelling house and fronts a highway;

Analysis: the roof extension does not project beyond the plane of an existing roof slope which forms the principal elevation of the dwelling house and fronts a highway;

(d) the cubic content of the resulting roofspace would exceed the cubic content of the original roof by more than:-
i) 40 cubic metres in the case of a terrace house, or
ii) 50 cubic metres in any other case.

Analysis: The cubic content of the enlargement does not exceed 50 cubic metres.

(e) it would consist of or include:-
i) a verandah, balcony or raised platform or
ii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe;

Analysis: The development does not include any elements in i) or ii) above.

(f) the dwellinghouse is not on article 2(3) land

Analysis: The dwelling house is not on article 2(3) land.

B.2 Development is permitted subject to:-

(a) the materials used in any exterior work must be of similar appearance to those used in the construction of the exterior of the existing house;

Analysis: It is noted on the drawings that the materials will match the existing dwelling.

(b) the enlargement must be constructed so that:-

i) other than in the case of a hip-to-gable enlargement which joins the original roof to the roof of a rear or side extension –

(aa) the eaves of the original roof are maintained or reinstated; and
(bb) the edge of the enlargement closest to the eaves of the original roof is so far as practicable not less than 0.2m from the eaves, measured along the roof slope from the outside edge of the eave, and

ii) other than in the case of an enlargement which joins the original roof to the roof of a rear or side extension no part of the enlargement extends beyond the outside face of any external wall of the original dwelling house.

Analysis: The eaves of the original roof are maintained and the edged of the enlargement closest to the eaves of the original roof is so far as practicable not less than 0.2m from the eaves. The proposed dormer does not extend beyond the outside face of any external wall of the original dwellinghouse.

c) any window inserted on a wall or roof slope forming a side elevation of the dwelling house must be:-
i) obscure glazed and
ii) non-opening unless the parts of the window which can be opened are more than 1.7m above the floor of the room in which the window is installed.

Analysis: The new window inserted in the side wall is noted to be obscured glazed and non-opening below 1.7m from floor level.

Recommendation

Issue a Certificate of Lawfulness for Proposed Development, the submission of a planning application for the works will not be required.

Reasons for Recommendation

The proposal constitutes 'development' as defined by Section 55 of the Town and Country Planning Act 1990, but is permitted by Class B of Part 1 Schedule 2 of Town and Country Planning (General Permitted Development) (England) Order 2015, as amended.
