Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	I support the development as this ensures the nursery can continue to look after community children in a modern and spacious new building. Children will have even more space to learn and play aiding their development which given the context of the last 2 years is vital. Sunshine plays a huge role for many families in the community and our children deserve the new building.

Kind regards
