Application Number: AWDM/1081/19 Recommendation – APPROVE

Site: 48 Pacific Court Riverside Shoreham-By-Sea

Proposal: Installation of replacement windows and doors to white UPVC.

Date of site visit: 4th June 2019 (for 46 Pacific Court)

Neighbours checked: Y

Additional neighbour notifications: N

Proposal, Site and Surroundings

Pacific Court is a large, purpose built block of flats on Shoreham Beach. The principal elevation faces north toward the river. There is a large parking and garaging area to the rear. The building has both balconies and patio areas to the north and south elevation. Consent is sought to replace the sliding doors and two windows on the northern side of the building. These are on the third floor on the western end of the building. The design of the windows and doors are to remain the same as existing in uPVC, the exception being one of the sliding doors on the north side which is to be replaced by fixed glass with fanlights and a side hinged glazed door.

Planning Assessment

Principle

The proposal comprises upgrading the existing housing stock located within the built up area and can be supported in principle. The relevant issues are the effects on the amenities of neighbouring residential occupiers and the effect on the character and appearance of the dwelling and its surroundings.

Planning Assessment

The visual appearance of the replacement windows and doors in relation to the building as a whole will remain unchanged, the changes to the opening methods and design are considered acceptable within the context of the building as a whole. The

building has many windows and doors of differing designs with opening methods varying also. The balconies and entrance doors give continuity to the building. The works will not have any adverse impact with regards to visual amenity and the character of the existing building or street scene. There will be no adverse impact upon residential amenity.
