Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Loss of General Amenity
- Overdevelopment

Comments: I would like to object to my neighbour's planning application for a 4 Mtrs extension to the rear of his property .A full house width extension of 4 Mtrs will be overbearing ,addition it will over shadow our patio by 1.3 Mtrs which would dominate our view. I would support my partners objections. And would not object to an extension which does not exceed the exsting building line of no 19.
