Comments: I would like to raise an objection regarding how the Public Comments banner lists the comments. At present it reads Comments Received 3 Objections 2 Supporting 1. The support is from Lancing Parish Council.
My objection is as follows. In Mr Peck's letter dated 27th February of notification, no mention was made of a LPC Planning meeting. Having now looked at the LPC meetings pages I see the meeting was held on 15th March and the recommendation was 'No Objection' I was not invited or advised of the meeting so was unable to make an objection.
I do not consider that 'No Objection' is in support of the plan. I would request that the 'support' is removed and listed as 'Neutra'l
