Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	The location is not suitable for an additional building and will cause even more problems with parking in the road than we already have. Also the applicant owns number 10 and rents it out but does not keep in at all well maintained regardless of how often she is asked by the tenants and neighbours. I understand that an application has been submitted previoulsy and refused and I would encourage the council to come to the same decision this time.
