Dear sir / Madame ,

I strongly believe that Goring Gap should be not built on , it should be left for wildlife.
No noise or light pollution, one place left for peace and quiet and wildlife .
There is hardly any green spaces left !

No to so called sandpits , there is plenty of places for children to play along the beach . Also a small place further along to purchase drinks , surely this is enough ?
Especially no to animals brought in there, aren't donkey rides etc supposed to be ruled out these days !

Everyone states that this man is just wanting kids play areas etc to be built so that he can eventually build houses / flats on this small piece of green land . I have read this many times .

Please don't allow this to happen , at the moment it is beautiful thereplease don't allow it to be spoilt for the sake of greed.

Kind regards ,

Cathy Cowland
