Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	<p>This developer has a proven track record of enlightened design having already saved the adjacent buildings from ruin, transforming them into aesthetically stunning buildings. I would be very worried if this land were to fall into the wrong hands.</p> <p>As both a resident and a business owner on East street, I must say that this developer has keep the inevitable disruption to a bare minimum with a very clean work ethic and considerate contractors.</p>
	<p>I strongly support this planning application and would welcome any further discussion on this matter</p>
