Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	There are already 2 drinking establishments in very close proximity to these premises. Another one would detract from already established businesses who serve the community well so is unnecessary. There is not adequate parking. There are flats above and next to these premises so not fair on the residents to have a drinking establishment underneath/next to them which will detract from the value and saleability of their homes.
