Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	The proposed perspex canopy is 2.6 - 2.75 m high, adjacent to my boundary with the potential to negatively affect light to my property. I have made several attempts to speak with the applicant / surveyor to understand the impacts and reach a resolution. However there has been limited engagement. Hence my objection.
